In Re Patent Application of: Steven E. Koenck et al.  
Application No. 09/597,917  
Filed: 06/19/2000  
For: "Modular Portable Data Processing Terminal for Use in a Radio Frequency  
Communication Network"  
(Attorney Docket Nos. 36767XZAB - 36767XZAE)  
Group Art Unit 2876

**RESPONSE TO NOTICE OF NON-COMPLIANT AMENDMENT OF 02/11/2002**

Applicant is in receipt of a Notice of Non-Compliant Amendment dated 02/11/2002. The Notice refers to an amendment filed "1/29/02"; Applicant assumes that this refers to an AMENDMENT AND RESPONSE TO OFFICIAL ACTION deposited by Certificate of Mailing on January 7, 2002, and not to a SUPPLEMENTAL AMENDMENT AND RESPONSE TO OFFICE ACTION deposited by Certificate of Mailing on January 17, 2002. Both papers appear to comply with 37 CFR 1.121. The amendment of January 7, 2002 cancelled five paragraphs of specification, and **added a new paragraph**, so that the amendment was in compliance with 37 CFR 1.121(b)(1)(iii), the last sentence, which states: "A marked up version does not have to be supplied for an added paragraph ... as it is sufficient to state that a particular paragraph has been added ...".

**In response to the Notice of Non-Compliant Amendment of 02/11/2002, Applicant hereby respectfully states that the paragraph substituted for the cancelled five paragraphs in the Amendment of January 7, 2002 was an added paragraph which did not include any of the cancelled text, so that it is not possible to submit a marked-up version.**

Please telephone the undersigned at 319-369-3661 if there is any suggestion for facilitating formal allowance of the case, or if a further response to the NOTICE OF NON-COMPLIANT AMENDMENT OF 02/11/2002 is required.
